

"I just admired the authenticity of these Chablis wines - consistently balanced, mineral-driven and precise. These all come highly recommended." The Wine Advocate

Chablis

Domaine Denis Pommier is a small estate based in the village of Poinchy just west of Chablis. In 1990 Denis Pommier inherited from his grandfather, 2.5 hectares of established vineyards in Chablis AC, and 1er cru Beauroy and Fourchaume. Denis also acquired small parcels of land from his aunt in Petit Chablis and Chablis AC and has added an excellent holding of old vines 1er cru Cote de Lechet. The domaine now covers 13 hectares where Denis, and his wife Isabelle, make wonderfully pure Chablis as well as a tiny amount of Pinot Noir Bourgogne rouge from very low yielding vines. We were immediately struck with the depth and precision of these wines. Denis makes very authentic wines of richness with great aromatic purity with each wine clearly showing its terroir origins.

2012 Bourgogne rouge

From a Pinot Noir vineyard located 10kms west of Chablis, matured in barrique (none new). Attractive red fruit spectrum on the aroma and palate. Fine chalky tannins and structure behind the intense fresh red fruit with bright acidity and crunch. Very attractive drinking now plus 4 years.

2014 Petit Chablis

Stelvin closure

Vinified and aged in 100% stainless steel for 6 months. Made from a blend of parcels in the villages of Lignorelles (Kimmeridgien soil) and Villy (limestone). *"(Hautérivien is a type of oyster that is rarely found anywhere but in the commune of Villy where half the vineyard is located). Notes of green fruit, iodine, tidal pool and oyster shell slide into citrus-tinged middle weight flavours that possess good punch before terminating in a saline and lightly mineral-inflected finale. This crisp effort should drink well early on. 87/2016+"* Burghound.com October 2015

2014 Chablis AC

Stelvin closure

Aged 100% in stainless steel tanks. *"An ultra-classic nose immediately makes clear that this could only be from Chablis with its cool array of shellfish, ocean breeze and citrus elements. There is really lovely intensity to the relatively round and delicious medium-bodied flavours that terminate in a bone dry finish that is presently displaying a touch of austerity. This will need at least a year or two of cellar time. 88/2018+."* Burghound.com October 2015

2014 Chablis 1er Cru Beauroy 750ml + 375ml

From 25 + 55 yo vines, matured 2/3rd's in tank and 1/3rd in barrel (none new). *"Pale, bright straw-yellow. Musky gingery lift to the aromas of yellow peach. Broad, rich and round, but with harmonious ripe acidity giving shape to the mouth-filling stone fruit and spice flavours. Saline minerality builds as the wine opens in the glass. Finishes with a subtle whiplash of flavour and very good energy. 90"* Vinous Media Steve Tanzer July 2016

2013 Chablis 1er Cru Beauroy 750ml + 375ml

"Bright straw-yellow. Slightly exotic, tangy aromas and flavours of ripe stone fruits, honey and brown spices. As sweet on entry as the Côte de Léchet, with very ripe stone fruit flavours complemented by spice and vanilla notes. 89" Vinous Media Steve Tanzer July 2014
