CHAMPAGNE PAUL BARA – THE GRAND CRU DE BOUZY

'Paul Bara is a living legend in Champagne. Many major champagne houses have approached Bara to try and buy the 30 exceptional locations he controls in the village. Only the first pressing is used, the wines are aged for at least 4 years in the cold cellar, and the yield is maintained at the lowest possible level. Bara's wines have a very elegant fruitiness, which is unique in Bouzy. ...his champagne is world class.' Richard Juhlin, 4000 Champagnes.

'... marvellous, precise, impeccably well presented Champagnes that are at the top of the qualitative pyramid.'
Robert Parker, The Wine Advocate.

'Vignerons in Bouzy since 1833. Non-vintage blends get 50% reserve wine. No malolactic. Archetypal Bouzy with delivery of strength through length; never heavy.' Tom Stevenson.
